# THE "IMPERIAL" CORNET

WITH F.V.A. VALVES

## never fails to satisfy

From Mr. T. Elwell of Hoo, Rochester

Earlier this year I purchased a new "Imperial" F.V.A. Cornet. During my 22 years of cornet playing I have tried several different makes; none has given me the same satisfaction of tone or the comfortable playing. At any time I hear of a bandsman wishing to buy a new instrument, I will recommend the "IMPERIAL."
